Cleaning & Sanitation Program

CREATING A CLEANER AND HEALTHIER ENVIRONMENT

Our History

Since 1911, Simoniz has been a leading manufacturer of cleaning products for the commercial, institutional, industrial and automotive markets. Simoniz slogans, “the self polishing floor wax” and “it shines while it dries” were seen, heard and recognized by millions of Americans nationwide.

Our Products

Simoniz manufactures over 2500 cleaning products for the widest spectrum of workplace environments. Our formulas use the most innovative cleaning solutions that are better for you, your customers and the environment.

Our Facility

Our quality products are manufactured and supported by our three state-of-the-art manufacturing facilities and seven distribution centers throughout the United States totaling over 500,000 sq. ft., including high speed filling lines, bulk storage tanks and quality engineered material handling systems to name a few.

Our Team

Our laboratories are staffed by professional chemists and engineers who continue to formulate the country’s most extensive line of high performance cleaning products. These products are supported by a quality sales force and service staff committed to servicing your needs.
