

OPL Heavy Duty Built Detergent

O2129

A liquid laundry detergent and builder in one product. Elevated pH speeds up soil removal and the high alkalinity helps to soften the water. Formulated with improved soil anti-re-deposition, outstanding whiteness and brightness. Excellent wetting, detergency and effective over a wide range of hardness and temperatures. Phosphate Free.

Where To Use

Institutional Laundry Operations	Linen Supply Companies
Nursing Homes	Universities
Hospitals	Colleges
Hotels	Health Clubs

Dilution and Directions

Use four to eight ounces of product per 100 pounds of laundry. Usage rates are affected by soil level, water conditions, and laundry procedures and equipment. Your qualified service representative will provide you with the actual usage rate.
