

An all-purpose, free rinsing pressure wash liquid that gives outstanding results in cold water. It is ideal for cutting through film build up on trucks, equipment, mobile homes and in degreasing operations.

Where To Use

- | | | |
|-----------------------|---------------|------------------------|
| Self Serve Car Washes | Presoak | Concrete Floor Cleaner |
| Fleet Cleaning | Food Plants | Construction Equipment |
| Cold Water Cleaning | House Washing | |

Dilution

1/60

Directions

While best results are obtained in a dilution of approximately 1 part True to 60 parts water, some cleaning jobs can be done as high as 1/128. For Pressure Cleaning - Dilute according to suggestions above. Do not apply to hot surfaces directly through pressure washer, prewet with water. Apply to a workable area, concentrating solution on badly soiled or greasy areas. Pressure rinse. Continue process until vehicle is clean.

Technical Specifications

COLOR:Transparent Brown	VISCOSITY:Water Thin
FORM:Liquid	STORAGE(Unopened):..1 Year @R.T.
SCENT:Odorless	BIODEGRADABLE: ...Yes
