

Carpet Care

Heavy Duty Powder

Industrial Strength Extraction Powder

Description

This organic, carpet detergent was designed to be equally effective in hot or warm water. This pleasantly scented powder has been formulated for use in standard, water extraction, carpet-cleaning equipment. It breaks down tough dirt and grime and is recommended for use in truck-mounted equipment. Its formula contains the strength of a concentrated cleaner to give you the most effective cleaning power in hotels, motels, schools, hospitals and homes.

Directions for Use

For general cleaning use approximately 1-2 scoops per 5 gallons of hot water. Truck mounted systems should use 1.5 pounds per 5 gallon holding tank. Adjust meter in accordance to desired results. Always follow manufacturers' general cleaning guidelines to retain quality of goods and any warranties

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits
