Emulsifying Engine Degreaser

Automobile

Description

This product is a concentrated heavy duty alkaline, nonionic, cationic, emulsifying cleaner, and degreaser. Effective on the most stubborn soils found in manufacturing plants, power plants, automotive repair shops, printing plants, and warehouses. This product handles grease and grime quickly while assuring the removal of buildup not otherwise cleaned by normal cleaning procedures. Special emulsifying agents attack and liquefy oil and grease with an absorption rate of 30 times it's own weight. Used full strength this product will strip paint on most surfaces and allow for easy removal. Diluted to proper ratios this product is safe on most all surfaces.

Directions for Use

For cleaning heavy grease and grime from engines, metal, floors or other equipment, this product may be diluted up to 32-1. For cleaning medium to light grease and grime from engines, metal, floors or other equipment, this product may be diluted up to 128-1. Make sure entire area is covered by water to ensure complete consistent contact with solution. Streamline Zip through filling and pumping equipment to emulsify grease buildup in lines at the rate of 1 gallon of concentrate per 55 gallons of water -- low pressure rates are best for superior results.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Multipurpose
- Super concentrated - dilute up to 128 - 1
- Wash and rinse either hot or cold
- Water hardness has little effect on cleaning ability
- Cleans by emulsification
- Non-corrosive, nontoxic, nonpolluting, and nonflammable
- **USDA registered**

Specifications

Appearance:	Green/Blue Liquid
Odor:	Low
PH	12 - 13
Specific Gravity:	1.01 – 1.05
Biodegradable:	Yes
Detergency:	Excellent

Dilution

Light Soil.....	1:128 (1 ounces / gallon)
Medium Soil.....	1:64 (2 ounces / gallon)
Heavy Soil.....	1:32 (4 ounces / gallon)

Available Sizes

- Case/ 4x1 gallon: Item # 267904
- Pail/ 5 gallon: Item # 267905
- Drum/ 55 gallon: Item # 267906
